TECHNICAL DATA SHEET 05

Muroflex Wall

ABOUT THE PRODUCT

Decorative panel made from a Wood Plastic Composite (WPC), which combines natural wood fibers and recycled plastic polymers. Its rotating and modular design allows the creation of textures and three-dimensional effects, ideal for modern and sophisticated spaces. It is resistant to water, mold, and weather changes, making it suitable for indoor use and covered outdoor areas.

SPECIFICATIONS

Product Name:	
Muroflex Wall	
Format (Length × Width):	
9,51 ft x 19,69 In	
Weight:	
0,27 lbs x ft2	
Packaging:	
Unit – Box of 24 units	
Thickness	
0,709 In	
Density	
-	
Main Material:	
WPC	
Country of Origin:	
China	

ADVANTAGES & BENEFITS

USES AND APPLICATIONS

- Cladding: Walls in living rooms, bedrooms, offices, and commercial spaces.
- Decoration: Headboard-style walls, TV feature walls, hallways, or columns.
- High-design spaces that require warm aesthetics and visual texture.

INSTALLATION GUIDE

Tools: Tape measure, level, utility knife or saw, mounting adhesive or screws, square.

1. **Surface Preparation:** Make sure the wall is clean, dry, and level. If there are imperfections, repair them with filler and sand the surface.
2. **Cutting:** Mark a base line at the bottom to align the first slat. Cut the pieces using a hand saw, miter saw, or jigsaw if joints or special cuts are needed.
3. **Fastening:** Apply polyurethane construction adhesive or neutral silicone in a zigzag pattern on the back of the slat.
4. **Finishing:** Check joints, corners, and alignment. Use finishing profiles if you want a cleaner look on edges and corners.
5. **Maintenance:** Periodically check joints, corners, and alignment to ensure the installation remains secure and in good condition.

WARRANTY POLICIES

- Verify and accept the product in good condition at the time of delivery. Claims for missing items, damage, or impacts will not be accepted after receipt of the merchandise.
- UNITEC USA DESIGN does not cover warranties for installed products showing differences in size, shade, color, scratches, warping, or any visible defect that could have been detected prior to installation.
- If any of these defects are found, do not install the product and contact the corresponding sales representative immediately.
- The warranty does not cover damage caused by improper use or handling.
- Follow the technical data sheet recommendations regarding use, applications, and installation.
