TECHNICAL DATA SHEET 08

Interior PS Panel

SPECIFICATIONS

Product Name:	
Interior PS Panel	
Format (Length × Width):	
9,51 ft x 4,72 In /	9,51 ft x 5,91 In / 9,51 ft x 6,30 In / 9,51 ft x 11,81 In
Weight:	
0,36 lbs x ft2	
Packaging:	
Unit	
Thickness	
10,472 In	
Density	
Approximately 0.65 g/cm³	
Main Material:	
PVC (Polyvinyl Chloride)	
Country of Origin:	
China	

ADVANTAGES & BENEFITS

ABOUT THE PRODUCT

PS panel is a new environmentally friendly material, ideal for wall applications. It is made of PVC with complementary components that make it lightweight, facilitating transportation and handling.
It is worth mentioning that the wall panel is easy to install and suitable for interior design projects. A single person can complete the renovation of an interior room. It comes in various colors and shapes, meeting different design styles.

Available in the following collections: Luxury, Beveled, and Estuary.

*Over 15 colors available

USES AND APPLICATIONS

- **Residential:** Living rooms, bedrooms.
- **Commercial:** Offices, restaurants, hotels, retail spaces.
- **Event Decoration:** Weddings, parties, exhibitions.
- **Architectural Designs.**

INSTALLATION GUIDE

Tools: Tape measure, cutter, aluminum ruler, and gloves.

1. **Surface Preparation:** The surface must be clean and dry, free of dust, organic material, and moisture.
2. **Cutting:** According to the area, optimize the cuts of the product taking into account its standard dimensions.
3. **Fastening:** Apply mounting adhesive to the back of the product in horizontal lines every 30 cm, and connect each piece using its tongue-and-groove system until the desired surface is covered.
4. **Finishing:** Follow the manufacturer's recommendations and use the suggested accessories if necessary.
5. **Maintenance:** Use water and mild soap to remove dust accumulated over time whenever necessary.

WARRANTY POLICIES

- Verify and accept the product in good condition at the time of delivery. Claims for missing items, damage, or impacts will not be accepted after receipt of the merchandise.
- UNITEC USA DESIGN does not cover warranties for installed products showing differences in size, shade, color, scratches, warping, or any visible defect that could have been detected prior to installation.
- If any of these defects are found, do not install the product and contact the corresponding sales representative immediately.
- The warranty does not cover damage caused by improper use or handling.
- Follow the technical data sheet recommendations regarding use, applications, and installation.
