TECHNICAL DATA SHEET 19

Acrylic Marble Panel

ABOUT THE PRODUCT

The Acrylic Marble Panel is a high-gloss decorative wall covering made from high-density acrylic resin, designed to faithfully replicate the look of natural marble with a lighter, more durable, and easier-to-install solution. Its translucent finish and depth effect add elegance, brightness, and sophistication to spaces, making it a modern alternative to traditional marble or granite, ideal for architectural and interior design projects.

SPECIFICATIONS

Product Name:	
Acrylic Marble Panel	
Format (Length × Width):	
8,01 ft x 48,03 In (square feet (ft²): 32,04)	
Weight:	
1,43 lbs x ft2	
Packaging:	
Unit	
Thickness	
0,079 In	
Density	
Approximately 9 kg/m²	
Main Material:	
Acrylic	
Country of Origin:	
China	

ADVANTAGES & BENEFITS

USES AND APPLICATIONS

- Wall Cladding: Decorative wall and surface applications.
- Applications: Backdrops for living rooms, reception areas, and commercial spaces.
- Other Uses: Column cladding, decorative islands, backlit panels, signage, architectural elements, decorative countertops, and interior applications.

INSTALLATION GUIDE

Tools: Laser level, neutral adhesive or construction adhesive, measuring tape, fine-tooth jigsaw, gloves, soft cloth.

1. **Surface Preparation:** Ensure the wall is dry, clean, smooth, and structurally sound. If there are irregularities, sand or patch the surface beforehand.
2. **Panel Cutting:** Mark the desired outline directly on the back of the panel and cut using appropriate tools.
3. **Installation:** Apply construction adhesive or neutral silicone evenly on the back of the panel. Press firmly against the wall to ensure proper adhesion.
4. **Finishing:** Check level alignment. Seal edges if required or install decorative trims on corners and joints.
5. **Maintenance:** Clean with a dry or slightly damp cloth. Do not use abrasive products, acids, or solvents. Avoid direct contact with hot objects.

WARRANTY POLICIES

- Verify and accept the product in good condition at the time of delivery. Claims for missing items, damage, or impacts will not be accepted after receipt of the merchandise.
- UNITEC USA DESIGN does not cover warranties for installed products showing differences in size, shade, color, scratches, warping, or any visible defect that could have been detected prior to installation.
- If any of these defects are found, do not install the product and contact the corresponding sales representative immediately.
- The warranty does not cover damage caused by improper use or handling.
- Follow the technical data sheet recommendations regarding use, applications, and installation.
