TECHNICAL DATA SHEET 24

SPC Baseboard

ABOUT THE PRODUCT

The SPC Baseboard (Stone Plastic Composite) is an architectural accessory designed to provide a clean, aesthetic, and functional finish at the junction between floors and walls. Made with a rigid SPC core, it offers high resistance, dimensional stability, and durability, making it ideal for residential and commercial projects.

Its wood-like finish perfectly complements SPC flooring and other coverings, adding visual continuity and perimeter protection against impacts, moisture, and daily wear.

SPECIFICATIONS

Product Name:	
SPC Baseboard	
Format (Length × Width):	
7,87 ft x 2,36 In	
Weight:	
0,41 lbs x ft2	
Packaging:	
20 pieces per box	
Thickness	
0,512 In	
Density	
-	
Main Material:	
SPC (Stone Plastic Composite)	
Country of Origin:	
China	

ADVANTAGES & BENEFITS

USES AND APPLICATIONS

- Perimeter Finish: Transition between floor and wall
- Applications: Residential and commercial projects
- Interior Spaces: Living rooms, bedrooms, offices, and hallways
- Compatibility: Suitable for SPC flooring, laminate, and other floating floors

INSTALLATION GUIDE

Tools: Measuring tape, hand saw or miter saw, construction adhesive, putty knife, clean cloth.

1. **Surface Preparation:** The wall must be clean, dry, and free of dust or grease.
2. **Cutting:** Cut the baseboards to the required size, ensuring proper angles for inside and outside corners.
3. **Installation:** Apply construction adhesive to the back of the baseboard and press firmly against the wall. Do not fix it to the floor to allow for expansion of the flooring.
4. **Finishing:** Check alignment and continuity. Seal joints if required by the design.
5. **Maintenance:** Clean with a damp cloth and mild detergent. Do not use abrasive products.

WARRANTY POLICIES

- Verify and accept the product in good condition at the time of delivery. Claims for missing items, damage, or impacts will not be accepted after receipt of the merchandise.
- UNITEC USA DESIGN does not cover warranties for installed products showing differences in size, shade, color, scratches, warping, or any visible defect that could have been detected prior to installation.
- If any of these defects are found, do not install the product and contact the corresponding sales representative immediately.
- The warranty does not cover damage caused by improper use or handling.
- Follow the technical data sheet recommendations regarding use, applications, and installation.
